

Hi Everyone,

Just wanted to drop a line to say many thanks for helping Charleville Castle facilitate a great Halloween Party, A Spook at Charleville and The Lithuanian Alternative Theatre Performance evening on Saturday and Sunday safely and enthusiastically.

Charleville Castle is also an Independent Arts and Culture Centre of the Midlands and it is important to help maintain positive collaborative multicultural relationships through fundraisers such as these - everyone enjoyed themselves a lot and there were so many great costumes - thanks also to those who dressed up and added to the craic.

Hope you had fun and we will keep you all updated for future events/fundraisers - like The Irish Burning Man Decompression Party Fundraiser Saturday, November 19th!
